Re: Gift to the City

Dear Council Chair Marshall and Councilmembers,

This is an invitation to host up to four government and community leaders from Honolulu, to tour refuse treatment facilities of Ebara Corporation in the Kanto region of Japan. The purpose of the trip is to show the current level of technology in the field of solid waste processing in Japan.

The attached Declaration of Gift form provides more of the financial details.

The more advance time we have to schedule, the more convenient it will be for everyone, so if at all possible, we respectfully request that the City Council consider its acceptance of this gift as soon as possible.

If there are any questions, please feel free to call me at (808) 551-3825.

Respectfully,
